Purpose: To provide a symposium for Speech-Language Pathologists working in nursing care facilities and rehabilitation hospitals in east Tennessee on topics relevant to dysphagia assessment and management in their patient-care populations.

Symposium Fee: \$15.00. Pay online registration with credit card.

Registration: Go to www.sasspllc.com. Go to Registration. Complete the registration form and pay fee. **Lunch Included.** Confirmation Letter will follow via email. **Registration closes June 26, 2023.**

Presenters: Matthew Ward, M.S., CCC-SLP Christina Everett, M.S., CCC-SLP
Jessica Scott, M.S., CCC-SLP Sherri Coker, RN, M.S., CCC-SLP

Local Contact: Jessica Scott (flpescott@gmail.com)

Contact: John R. Ashford, Ph.D. (john@sasspllc.com)

Objectives: As a result of this activity, the participant will be able to ...

- Contrast signs of reflux from signs/symptoms of dysphagia
- Explain the benefits of flexible endoscopic evaluation of swallowing (FEES)
- Identify the basic components of ethical practice with dysphagia evaluation and treatment.
- Explain the importance of water for normal homeostatic function
- Associate the impact of medications and drug classes on dysphagia
- Explain the pathogenesis of pneumonia
